# 2021 SoCal Chapter Current Efforts

---

- Design to Cost (DTC) Training Course Development
  - Led by David Bloom, SoCal Chapter VP
    - Develop by local chapter for adoption by international society
    - Start with review of available DTC (and CAIV, affordability) courses, directives, papers
    - Initial scope to be one-hour, teachable by others, overview-limit, general applicability
  - Currently in outline refinement stage
  - Plan to review outline and draft content early next year; will solicit comments
